BOARD MEETING :: 16 voting members
Board Members: Craig, Martini, Tsunami, Minerva, Frankee, Reba, Eddie, Percilla, Marvin, Shaun, Seranitee, Douglas, JJ, Chuck, Glenn, Carmine
Guests: Viliam, Michael, Roxy
Excused: Jen, Tony, Victoria, Stevie, Jackie Blue, Summer, Ramses

President Minerva called the meeting to order at 6pm.

Craig reported on that he opened the CD at ICON Credit Union; details will be reported in the Treasurer's Report during the Court meeting later tonight.

Minerva stated that she forgot to contact Kelly Dickard about the spotlight and will take care of it this week (Oct 3 – 11).

Minerva gave the Court's check to the Fallapolousa people; the Court logo will be on all their signage during the event; they have offered us booth space if we wanted to have someone there on Oct 15th from like 9a-4p, which happens to be the same day as the County Show (the Monarchs will be out-of-town this weekend).

Frankee stated that she contacted the SLC Court about Chaise; they didn't really give a response. Frankee asked if the Board wanted to contact them to get a direct answer. Minerva stated that she doesn't really care as Chaise is not a part of our court right now and under full suspension. SLC admitted that she's a "member for life" and a current "ballchair" there right now. At this point the Court is willing to let it go as an issue unless necessary to continue per any pending actions by Chaise.

Tsunami presented the contract for potential Coronation locations along with a proposed budget; Frankee explained her reasoning for wanting it at the Wyndham; there were concerns stated about the distance of the 'new' hotel from the bars and the size of ballroom; Percilla had concerns about the Court's monthly meeting space at the Red Lion if the Court were to change venues; she was reminded that the Court is actively looking for a new meeting venue anyway since this café is not a true optimal location. A final **decision was postponed** until the November meeting so that the Board could compare both the Red Lion and Wyndham contracts side-by-side, which Tsunami will email to all Executive Board members.

Craig had concerns about the proposed Coronation budget; Percilla had concerns about raising the Ball ticket pricing to \$50; Craig suggested \$40; Percilla said that to keep it lower would draw more people to the event; Craig said raising it too much will keep locals away; Craig stated to keep the \$12 for OOT and make package \$15 for OOT/bus combo; Craig questioned the Sound
