Greetings Everyone,

On 10/30/2015 taking a completely intoxicated Miranda home a little after 11:00 PM leaving from the Lucky Dog Tavern and on Interstate Highway 84 heading towards Nampa, Idaho I was victim of an assault to an unprovoked situation, Miranda punched me hard in the right side of my face impacting my right ear. I am not a person to accept any form of physical violence so at this time I want charges brought up against Miranda for the act she committed on me. I do not want Miranda to appear/perform at any court functions for the remainder of my term as Regent Emperor 38, removed from being the Closet Ball Queen title 2015/2016 and have her on suspension or have her membership removed. I spent 4 hours at the Veterans Hospital Emergency Room getting a cat-scan of my brain to make sure the punch didn't cause bleeding in my brain and had 7 series of x-rays to make sure the punch didn't create a hairline fracture on my jaw line or neck. I have zero tolerance for individuals who want to be bullies and use physical violence to control someone. I have actively filed criminal charges against Miranda with the police department.

Sincerely Yours,

Eddie Del Rey (A.K.A. Eddie Tapia)
Gem Emperor 37 and Regent Emperor 38
