Call to order: 6:00 p by Carmine

October meeting was not recorded due to running zoom off the cell phone and there wasn't space to save. If anyone has notes from the meeting, please share them so we can put something together.

No Council news

Old Business-

Thorn Boys will be sending their findings for the new state crowns. Once received, Percilla, Marilyn and Carmine will look over and bring to the board/body for discussion and voting. They are giving us a great deal of approximately \$2500 for 4 crowns, that's a huge discount

One of our Empress crowns is totally misshapen and destroyed, the crowns we have now are 30+ years old, we should think about doing a crown retiring ceremony at this year's coronation.

Working on EmpreX/PrinceX title and how to incorporate it into the bylaws, also going to need to add 2 crowns when they are made to fill these titles.

Reign Report-

Jase/Mikea/Harley attended Mr. Gay America Pageant in Las Vegas Oct 5-10, was also Vegas Pride weekend

Jase/Mikea/Robert/Chaise/Victoria/Roxy attended Portland Coronation Oct 14-16, very large coronation for being on a Sunday, about 400 in attendance. Darcell's 50th, Champagne's 40th.

MyKala attended Spokane Coronation Oct 22-23, small turn out, only used about ¼ of a ballroom, maybe 150 people in attendance. Lots of pictures taken

Carmine/Doug attended Cincinnati Coronation- Also had the Jose Honors, not a very busy coronation again, feels like coronations are getting smaller after covid and because travel costs are rising.

Oct 22 MX Somewhere Pageant- Doug was a judge. Harley won this year.

Jump-Or-Treat Oct 22- Doug/Carmine/Jase/Mikea/Mani represented the ISGCI and handed out candy to over 8000 in attendance. ISGCI took first place overall in the costume contest.

Halloween Show Oct 29- Joint show with the MGI Foundation, \$864.06 raised, split between organizations the court got \$432.03

90 Day Reign Review-

Doing Awesome, gone to 2 Coronations, Prince/Princess have done 1 event

Prince and Princess requirements are 1 P/P Ball, 1 Coronation and 2 other events. With times changing we may add into the constitution that if No P/P Ball is offered in our realm then you can replace with a Coronation.

New Business-

ISGCI has no financial responsibility to the Riverside and there is no written contract with them

Lost \$3500 last year for reign 44

Lost \$2000 the year before in reign 43

Please have the Secretary and Treasurers report ready 3 days prior to the meetings so we can get them reviewed and approved faster and have more time to talk about other things at the meetings. President's request

Still going through Coronation Budgets for the past two years

43 and 44 Treasurer gave money out of the cash box and charged the people through PayPal so it has to be recorded as an expense and income. The bank report showed that they took out \$1000 cash and deposited \$100. Asked Tempe what had happened and she explained.

We don't need to be anyone's bank or ATM. Nothing was in the minutes and it was not authorized to use the cash in that way.

Hotel Bill for Dani- minutes noted that they could not travel but they did attend Florida, Salt Lake and Reno. So Dani still owes for room 226 but we decided to inform them and let their conscience decide but not pursue it because of the time that past.

Dani lived in Palm Springs for the last 4 months of their reign. According to Bylaws she should not have been allowed to step down as Empress.

Reign 43 was over coronation budget \$1070.51 mostly because we paid for the ballroom and Hour Devours

Reign 44 lost \$2698.84 mostly because there were not many in attendance for coronation.

Dee really tried to cut costs, worked very diligently with what they could and removed the brunch from the hotel. She did listen to Carmine's advice even after he was removed as ball chair.

Felt as though she was marched into that hotel unaware of what entailed. We can't afford to be at the Riverside.

Carmine did stand in defense of Dee doing the best she could with what she was given

Never had a contract with the Riverside or if we did, they were happy to reverse it since we have lost money the past 2 years. But they said no 5-year contract was in place. So we are done with the Riverside for now.

Reign 43- \$580 must be figured in

Reign 44- \$1400 must be figured in

Reign 44 was not Dee's fault, it was wrong leadership

Annual Reports not quite one for 43/44. Craig is working diligently to get them finished. Lot's of fine tuning and hours going into it.

Heartfelt Thank You to Craig for all the work he is doing on getting things organized.

Carmine motion to change passwords

For more than a year he asked for minutes from meetings and coronation budgets because here were more missing than were there. After issues were raised with Reign 43 the minutes just showed up on the website.

Only the President, Treasurer, Secretary and Emperor shall have the passwords

Percilla made 2 different FaceBook groups for the College of Monarchs.

Just because you don't come to the meetings you are still a member in good standing because you completed your time. You still have a vote.

Still have a vote no matter where you are in/out of state.

Carmine worked hard with BSU to hold onto our history and all of our items. Feels that it should be a requirement of becoming a Gem to go over and give them your pin and program for the history.

ISSUES:

Check in time isn't until 4p – just means we would have to start the Out-of-Town Show later

Food/beverage @ hospitality must be used through the hotel – we can talk to Somewhere Bar about hosting our bar that weekend

Occupancy is 168

Quiet time is 10p unless we can get all the rooms directly above the ballroom for our group

We will have to look into other options for hosting the water parties.

Possibly do a bus to Somewhere. Talked to a guy he charges \$150 an hour for 25 people per trip. Could run the bus every 20 minutes from hotel? Can have open containers on the bus, so we could run the water party on the bus?

Maybe good to do an after-coronation party at Somewhere, bus people there to thank them for hosting our bar at coronation and bring them the business. Also give them free advertising in the program and tickets to the ball.

Eunice has agreed to be one of the emcees for the night

Need to set up one more meeting with the hotel to adjust and fine tune and prepare to sign the contract.

Motion to postpone coronation budget until we have another meeting with the hotel.

Craig motioned, Carmine 2nd, unanimously passed

Board Meeting minutes 1/4/23

Call to Order : 6:05p

Secretary Report:

No secretary minutes available to go over. Carmine recorded the meeting from Mexico but it didn't save from the cloud it saved directly to his computer. Only the person who has access to the computer can access the video. Carmine is going to see if he can work on pulling the minutes or transfer them to a file that he can send to us. If not, we will get together when he gets back and download them. What we do get we will type up and post to the group chat beforehand so we don't have to waste the time reading them all at the meeting.

Talked about putting the Treasures report into a PDF file as well and sending it to the chat so that the original Excel doc doesn't get messed up and people can review before the meeting as well.

Motion to set Secretary notes over to the next meeting- motioned by Mani, 2nd Craig, Unanimous

Motion to have Mikea handle the door money for the Boise AIDS walk brunch on Sunday, January 8th, since Craig will not be able to attend. Will take the cash box home from the meeting and then return to Craig at his home on Sunday afternoon after the brunch.

Motioned by Craig, 2nd by Mani, Unanimous

Need to start Coronation budget. Waiting for Carmine to return to sit down and get some help. Craig offered to help get it started.

Food budget will be mostly used during the Sunday Brunch. \$1500 has to be spent through the hotel for catering purposes.

Friday night/Out of Town show: allocate \$250, have to serve food if we have alcohol in the ballroom

Saturday Coronation: allocate \$250

Hospitality: allocate \$100

Brunch: allocate \$1000

Bus to and from hotel for Friday and Saturday nights since Somewhere is hosting us with their alcohol license we want to support them as much as possible as well. Both nights we can run the bus from 10:30p to 2:30a and host the water party on the bus each night.

Bartender will need to be paid for the weekend.

Program Books: allocate \$1200

Spot light person needs paid

Mikea will run the DJ sound. We will build the set around the DJ as to not see they are there.
\$1000 for lights and sound

Need to look at renting risers and/or dance flooring. Possibly going to be close to \$1000

\$500 Ballroom fee for Saturday night

\$200 Ballroom fee for Friday night

Instead of charging for a bus tour, allow anyone that has their Out of Town Show/Coronation wristband to ride the bus

Awards/Plaques allocate \$500

Website:

Carmine has a friend he was going to talk to, haven't heard back from them yet.

Craig asks if we could reach back out to Jason a friend of Shaun's who previously did it.

Jase has a friend, Tawsha, that builds and updates websites as a business. She will charge a \$500 flat fee to revamp and getting it up and running where it needs to be again. Will make it easy to use and walk us through how to navigate and post/change items. We need to get a few board members together to go over how to use it so that 1 person doesn't have all the knowledge.

Craig moves to allow \$500 to be used to hire a web designer. Mani 2nd, unanimous and will be taken to the court meeting for approval.

Reign Report:

Quiet December, relaxed and spent time with loved ones. The Christmas show was before the last meeting and no other events were planned for the month.

Jase personally worked with the Housing Assistance Alliance, they help raise money for people of the LGBTQ+ community looking to get into a home by helping with down payment assistance, fees, ect. They were given the last 3 weeks of the year to raise money and the

companies they work with were matching 2X the money for that period. We raised \$200 at the show we produced which turned into \$600 and they raised a total of just over \$6800 during those 3 weeks. Not bad for just starting out. They are looking for people involved in the community to help put together fundraising efforts and get the word out and would like to work together with the ISGCI in the future. We can meet with Matt and see exactly what they are looking for from us.

Houston Coronation is booked- Jase and Mikea will be attending

Boise AIDS walk bingo and brunch will be Sunday 1/8 at Somewhere Bar

Str8 into Drag will be Saturday, 1/28 at Somewhere Bar

Mani requests that flyers be printed so there is a physical copy at the bar that people can look at if they don't have Facebook. Maybe hang it by the entry.

Lovers and Losers is scheduled at the VAC for Feb 11th – wanting to do a dinner and show with dancing afterwards. Need to talk with Sam at the VAC and see if that can work. It is Valentine's weekend and themed so we are hoping to gear towards couples.

Also need to get with Sam to schedule to P&P ball and Feathers show. Jase did email him, no response so they may go down on a Saturday and catch him at work.

No one stopped by the PO Box to check if there was mail.

Meeting adjourned at 6:45p by David

Lovers and Losers brought in \$1080

Colorado Springs check sent off for \$1505- did well with the fundraiser and raised a good amount of money for our demographic. STR8 into Drag is a great fundraising idea.

Paid GoDaddy for the website, \$211.04 out of the General Fund. Motion to approve; Carmine, 2nd Doug, Passed; Never received the invoice and we pay the full year every year in Mid-February.

Need to get the Coronation ticket payment set up. Payment sent through website donate buttons. Add deadlines to ticket links; add ticket buttons for ½ pg ad, full pg ad, monarchs ad, individual coronation activities and weekend package

Coronation event is set up on Facebook, Trifolds are ordered

Add early bird pricing to room block so people know when they are out the price could change

Website-

Tawsha; Added a plug in All-In-One to backup the website. Anyone can go back to today and recover anything if something happens. Updated the menu. Separated the 'about section' and 'meeting section.' New logo with ISGCI in it. Changed the icon colors to match the rest of the website, deep rich yellow. Put Donate button at the top of the page, you can find it in 3 places on the main page. Removed the resigned titleholders. Need to add each reigns CP's and remove the proclamations (they are already listed in the bylaws)

Dee is Gem Empress not Emprer according to the application she submitted before taking the title. You can not change your title half way through the year when you already submitted and were approved for a different title.

Lovers and Losers concept was a great idea. Maybe do a different dinner idea than spaghetti next time. Also possibly do dinner for 2 hrs before show start time, charge a separate ticket and then start the show time later with separate ticket price. Need a caterers license to serve food at the VAC.

Attended Seattle Coronation- Jase, Mikea, Martini, Carmine and Harley. Very long coronation, not much entertainment and a lot of confusion with walks and emcees. Went over 7 hours.

MMIW pool tournament raised \$251 for the month of February. Mani is doing an amazing job at running it.

New Business:

Salem Coronation March 17th-19th – Jase, Mikea, MyKala and Harley attending. Protocol notice has been posted on Social Media

Does anyone know if Idaho was represented in San Francisco? We believe Dani, Steven and Reba were in attendance but do not know if they walked as Idaho?

MMIW awareness show- Saturday, April 1st at 9p, changed the event start time due to Somewhere's fetish night.

Denver Coronation- April 7th-9th – will be posting to see if anyone will be attending

P&P Ball 4/21, Idaho Cares 4/22, Brunch 4/23- making a weekend out of it so that out of town guest will be more willing to stay. Referring them to the Oxford Suites since that is where Coronation will be held. Talk to Glenn about table décor for the P&P Ball. Madhatter theme, Crazy Hat Party. Idaho Cares will be crowns and gowns, court pictures to be taken that evening. Chaise and Robert are the emcees? Auction items can be set out for Friday and Saturday night as we are holding both events at the same location (VAC) we are gathering items from trivia winnings to donate. We have a bike and skateboard so far, along with some bar swag.

Vancouver Coronation- April 28th -30th, will post about protocol at the beginning of next month.

Need to get Turnabout/Closet Ball scheduled as a fundraiser to the general fund. Jase does have May 6th scheduled for a show at the Somewhere bar for a birthday show, possible that could be turnabout show?

Intro to candidates scheduled with Harley at the Somewhere bar for Saturday, July 1st

Boise AIDS walk- June 10th, need to create the event and get it posted. Jerry is contacting a security agency this year, feel that security is going to be needed in the times we are facing.

Meeting minutes for April 5, 2023

Board Meeting

Call to order by Carmine at 6:10p

Secretaries report was posted in Board chat. The floor is open for any questions or discussion. We did lose 1 hour and 13 minutes of the recording due to Zoom not recording the sound.

Motion to accept the Secretary minutes: Doug, 2nd by David- Unanimously approved.

Treasurers Report

Craig asked for Board approval to take out an extra \$500 for the cash box for change at the P&P show/Idaho Cares weekend. Motion by Carmine, 2nd by Doug- Unanimously approved.

Board Report

Reign is caught up and up to date on all requirements. Done and scheduled through the end of the reign. Jase and Mikea have completed 6 Coronations each, MyKala has completed 3 Coronations.

P and P Ball requirement- possibly look into changing the bylaw to say 4 events because P and P Ball's are fading out and what if you can't make it to the one that's close.

Who is attending Salt Lake City?

Bylaw revision presentation – see attached pages. (Read and will be presented at the May meeting for approval)

Crowns

We need to put the crowns on the front burner for the rest of the reign. We have 2 Empress Crowns and 1 that is so damaged that its unrepairable. We want to get a jump on them so they are ready for next year.

Coronation

Board needs to really start pushing Coronation adverts, everyone needs to be sharing it so we can get in the algorithm.

Suggestion: do any court member awards at the In Town Show and others at the Out-of-Town Show and Victory Brunch. As little during the actual Coronation as possible.

Meeting adjourned at 6:46 p

Meeting Minutes April 5, 2023

Court Meeting

Meeting called to order by Jase at 7:00 p

Secretary Report

Minutes from March were read and floor opened for discussion.

Motion to approve from Craig, 2nd Doug- Unanimously approved

Treasurers Report

\$1600 MMIW show on 4/1/23

\$616.24 Turnabout show on 3/25/23

\$241 Mani Pool Tournament Tuesdays for month of March

\$1000 ACLU show with a matched donation of \$1000 from the ICC

reimbursement of \$408.67 from the Emperor Travel Fund

reimbursement of \$39.53

paid \$211.99 for Coronation Trifolds (they look amazing, haven't seen anything like them in a few years)

paid \$30.74 for new card reader for Zettle (works super-fast and very efficiently)

paid \$75 for Vancouver AD

paid \$150 for Sacramento AD

paid \$500 donation for use of the Community Center

reimbursement for Sacramento Gem Gifts \$36.64- motion Carmine, 2nd Doug- approved.

reimbursement from Princess Travel fund \$327.80 + \$85 (exceeds balance so reimbursement will take what's left of travel fund) motion Carmine, 2nd Doug- approved.

Gave James Baker a \$200 check at last show to cover charges for Brunch on 4/23/23.

Craig is still finding errors in the reports and finding money in places that it doesn't belong. After reviewing the reports four times he still is not happy with the report for this month. Some adjustments were made but more research is needed. Finding notations that are in a size 2 font on pages and not knowing where the money came from or why it needs to go where it says?

Any money that was not given out in the past years and rolled over into this year will become this reigns money and will be given out at the end of the year by the current reign.

Craig only wants a motion on any approvals in the Treasurers Report, not on the actual report because he feels that it should not be adopted until it's gone over again and fixed.

Motion by MyKala, 2nd Doug- Unanimously approved.

Board Report

Reign is caught up and up to date on all requirements. Done and scheduled through the end of the reign. Jase and Mikea have completed 6 Coronations each, MyKala has completed 3 Coronations.

Meeting set with the hotel on Monday, April 10th at 11a to measure, take pictures and get an idea of the space for Coronation.

Carmine talked to Event Rents about risers and dance floors. They do not have 8 inch risers and we decided against risers because of the ceiling height in the room. Dance floor sections come in 4 ft X 4 ft sections, need pricing but can get those as a last minute item.

Website

Coronation is live- all events, Ads, everything can be found on the website.

Changes are almost complete, need to add the P&P's to each reign and delete the section at the bottom of the page.

Old business:

Salem Coronation was 3/17 to 3/19 – Mikea, Jase, Harley and MyKala were in attendance. Mulan Rouge stepped up as Empress 45 and Darrel and Ina stepped down.

Turnabout show was 3/25- it was a quick thrown together show but had an amazing turn out. It was a fun and great show. Karsyn won the title of Closet Ball this year and is looking forward to returning next year to pass on the title.

Trans Day of Visibility Rally was on 3/31- The entire Reign and most of the Board was in attendance. We presented the ACLU with a \$2000 check.

Mani's first show was on 4/1- MMIW awareness show. Raised over \$1600 even with all the set backs and only having 1 hour to put on the show due to bar restrictions.

New Business

Bylaw and constitution submittals were read and they are to be reviewed at the May meeting.

Denver Coronation 4/7-4/9, Percilla is going. Roberts 20 year in Denver and 40 year in Boise.

Old Business:

Purchased the new crowns - \$1910, stones will be all clear except the Gem which will be AB, crown has a silver backing

Bylaw review reads- see attached

- Emperor 7 Proclamation – Reign will not run for any other titles during their reign. Pee Wee passed so the General could null/void that proclamation (retire it)
- Proposed change would be – Reigning could run the following year if they'd like to. With courts dwindling numbers this might be a good idea.

Reach out to people and ask them to be a part of our shows, etc.

Reign Report- ALL GOOD

Anniversaries- what will be included in Coronation

- 10 year Emperor/Empresses will be automatic
- Prince and Princesses we still need to decide

New Business:

Coronation advertising, keep it going. Reach out to people, get those rooms booked.

Pride Booth/Parade- prepare and pay for the next reign. Discussion on whether to do a booth or just the parade this year? Do we want to split the costs with MGI for the parade this year? We will need effort from both sides, not just one. Parade will be the line in the sand this year, if there is no 50/50 then we will not be co-working with the MGI Foundation any longer.

ICC News:

\$8000 so far to ACLU around the country

Doug and Carmine attended Darcell's memorial, got to spend some time with the Queen Mother.

Queen Mother will be attending Coronation- Terry will cover the flight and Doug/Carmine will cover the hotel room. Waiting but wanting to make a big deal out of it. There is a misc use in the coronation budget that can help with Queen Mother's stay.

Carmine and Jase are going to meet up to go over awards both in town and others.

Roll call

Read secretary minutes from May meeting

approved unanimously

Old business, the bus tour, we don't have a firm grasp on that yet?

Is our only liaison to Scott, David? he hasn't answered anybody else's emails and David talked to him personally. We will talk to David about getting a firm yes or no on that we're still doing it whether or not he's gonna be a part of it.

And another part of the old business, been holding off an official announcement about the Queen Mother coming, because we wanted to make sure that everything was as we had anticipated, that Terry was going to pay for her plane ticket and then Doug and Carmine were going to take care of the hotel and some incidentals.

Terry isn't coming. Terry is not coming and it's not because he doesn't want to come, something has been dropped in his lap and he's got to go somewhere and do something and so he's not coming so he's not paying for Nicole.

Carmine checked on air fares, San Diego to Boise on those dates of Thursday to Monday and the flight runs anywhere from \$320 to \$350, if anybody wants to think about that you know we have a day or two to decide. If you would like to have private discussion with me, please let me know.

New business: There are two things. Carmine kind of chatted with Craig and they kind of went around and around with coronation for the coming year.

Number one, we need to change who decides where coronation is. In our bylaws, it says that the reign gets to pick where coronation is. Carmine recommends that is not a good barometer for who should decide. He thinks that it should be not one person or two or three people but a collection of folks who have been around the block a little bit and have done this before. Who he thinks can be responsible for those fiduciary commitments that we make. It's not a reflection on anybody. One other aspect of that too, than the possible change, is that a new reign coming in really isn't that focused on that, and we have to book that? You have to really look down the road because we rely on the reign, no decisions can be made until the reign is actually in reign, which is really not the time to do that. We should be a year ahead of ourselves and so Carmine is going to propose in the next meeting that we have in July that there be a bylaw change regarding this.

The second part of Carmine's change that he will present is he would like for us to go back to our old original mission statement and take away all of that stuff about drag that's in there. Craig has the original mission statement used previously and will get it to Carmine for the rewrite and proposal.

So, regarding Coronation 47, it was several board members who thought that perhaps approaching the VAC on having our coronation there. The VAC has a stage built in, lights, built in sound, built in a bar, could save a lot of money in the end. Sent Sam some dates in the end of July next year. He responded that he doesn't feel comfortable scheduling anymore shows with us until we can bring attendance numbers up. We need to get him to coronation to show him that it's not a typical show and that it will bring in the numbers. Jase will give him one of his free tickets.

coronation marketing: Carmine gave His Majesty the room count. we are at 55 room nights 25 room nights left. Klea messaged this afternoon and would like to know where we're at. she wants to get together with us to talk about time lines and food and stuff like that so we'll need to think about doing something like that perhaps next week.

Jerry brought up concerns about parking at the hotel. Maybe ask Klea in the meeting about the parking lot spaces and/or get with the building next door.

Craig motioned to select and elect a moderator that's non-voting moderator for the screening committee which is next Monday up at Carmine's house starting at seven.

And so it should be a non-monarch, so nomination Mr. Jerry.

Motion carries.

We will ask the Dean to make an announcement to the college that I will make a general announcement to.

We will be accepting applications through the end of the meeting tonight, actually 8:15 p to account for any emails, ect.

the scholarship committee and Percilla have put out a copy of the scholarship application on several Facebook places a few weeks ago. Everyone share that also because we have that coming up at our next meeting in July thank you

As for the money, the money that we sent for the crowns. The check was cashed on June 2. so they got the money and they're working on the crowns.

Jimmy More fund refer \$200 on May 9 and on May 11 we approved another \$200 Jimmy Moore

We have a couple of claims here, one from MyKala from motel stay in Salt lake. She is requested that can only receive \$176.91 from her travel fund in that zero out.

Second we have a requests from Jase for Salt Lake City water party.

motion to approve second passed

have a request from Jerry and this will be for the t shirts for the AIDS walk which is coming up this Saturday, and he's requesting the Boise AIDS Walk fund, \$625.93, and there's plenty of money in there for that.

make the motion of, approval

and then the last requests is for Craig, purchased wristbands for coordination.

Yellow, blue, red: out of town show will be blue, coronation will be yellow, victory brunch will be red. making packets up with the colors on there.

And there's one other request on that, I'll tell them at the door when they get it you gotta wear it on your wrist. If you are not wearing it you don't get into the bus, and if you leave it somewhere, or we don't see it, you pay again, I don't care who you are. So it's \$44.33 motion carries

Emperor birthday cash we already went through we actually had \$315 cash at that time we're getting more in. most of that went to the crowns fund some of the to the General fund.

We have a couple requests and one is storage. if we pay by the 22nd of this month we get last year's rate, which we wanna do because it's going up. you pay the whole year we paid the whole year was \$1539.45 It's about a \$159 plus tax per month now and so it's gone up but we wanna get the old rate. why not so I need approval to pay them and I'll get this specific amount.

Motion carries

the post office box is going up a little bit too

Craig has a request that the Treasurer process authorization to pay the following bills as they come to. All from the General Fund prior to the end of July the P-O box, zoom, Verizon and the Treasurers Bond.

Treasure bond should be the same \$210. Craig would like to authorization to pay these as they come to from the money we have prior to the end of July.

Motion Carries

Craig also request authorization to pay the following charities from the charity funds

suicide prevention \$259.55

Trevor Project \$949.96

Idaho Black Community Alliance, she says, in a proclamation last year, 2 % the out of town show, we gotta pay a minimum a hundred dollars on that.

missing and murdered indigent women so far, \$2133.92 trying to give a charity

Craig wants to pay those in July and all of those will go in to the program that we paid and that will basically wipe out those out.

Discussion: CCJ has started to shutter down. Talk to Percilla and see if there is another Latino based non-profit for which to donate the funds.

Motion Carries

Know the following,

\$672 went to the Matthew Shepherd Foundation

\$2114.77 went to the Mission 22 Veterans

we gave \$500 In scholarships

we paid \$1920.12 to the Jerry Sweat Fund for utilities,

We had in the Emperor and the Prince travel funds: zero

the princess travel \$176.91

in the door change fund we have \$500

crowns fund we began with \$1530.73. We had income of \$439.75 since we sent to Thorn company, now \$1910, which they cashed. We have \$60.48.

The Historian fund, \$100

ICC fund \$44.60

now we began may with a negative in the General Fund for \$191.38. We had a \$116.97. We had an adjustment to the books for the \$1980, we spent, \$790.50. We transferred to the MAE \$530.71, they, have \$976.30

They have over \$6000, transfer temporary \$4000 help cover bills.

Motion by Craig, motion

Percilla has chosen Boise AIDS walk to get the CCJ money upon documentation of doors closing.

Motion to adopt Treasurers Report- Passed

Board report. not really much to report. We are caught up ready to go, working on the final coronation stuff.

The website, like everybody knows we did have some issues with the Paypal. We still haven't figured it out. Website did an update and messed with the version of PayPal but it also added Go Daddy pay which is a free service because we use go daddy is our website so and the fees are actually a little bit better. It's only 2 % and \$0.30 per transaction instead of what was paper 3.5 it was, it's a little more it's 3.5 or 3.7 and like \$0.40 transactions so 2.7, so, for pay bills 2.34.

old business:

we had Emperors birthday show on May 5- it's a lot of fun very different type show, it was confusing at first. but once we got going people loved it. I know we kept it go until like 01:00 in the morning um Riley and all her friends showed up and they just kept going with it. we weren't planning on going that long but people started coming in later on and they continued wanting to do it so had money if they just get paid money.

the MGI pageant was May 20. they do not have a full reign now oh I heard um nobody has put out a notice yet but Miss Vivica stepped down, she just said her heart's not in it. they do have a Mr. (Oliver), A Miss (Helen D Bed) and an MX (Frank Siracha) so they have three or four we were kind of excited to see what you do

did talk to MGI about the Pride Parade and yes they are going to pay half for the parade whatever the total is. just need a parade float total so we can give them so they know how much the half is.

The old business

Salt Lake coronation we had a huge turnout turned out amazing. like I said, our name was all over Facebook everybody knows who I am now oh yes I've heard that they are fighting revenge so I was like bring it was like bring your people I'm ready for it they had no contestants this year so they had Bobby childer's step up with Nubs from hell.

new business:

I put in here for spotlight. Mikea did look up some spotlights. Sent two different ones with the \$800 or \$300. these two lights that I sent him are basically the same version of what you would like a follows by follow spot and you can change the color of the lens by just pushing the button but they're LED so they don't get hot they're not gonna burn you now my only concern with hand held is like for coronation or something are people gonna be tired.

Paid for 2 new spotlights, will be delivered June 12th

Our upcoming shows and fundraisers are of course, the Boise aids walk this Saturday on June 10 and Reno Coronation, just Jase and Mikea are attending. it's gonna be fun.

Lip Sync 6/17 I'm excited for that show.

Queer Idol 6/22 We postponed it until September. We just ran into time constraints with Ray being in the hospital and not being able to help coordinate, and Rocky went on vacation and lots of stuff
